29. The products made by the infringing method that are used, caused to be used, sold, caused to be sold, offered for sale, caused to be offered for sale, imported, and/or caused to be imported by Defendants meet each and every limitation of at least one claim of the '002 Patent, either literally or equivalently.

30. LPL has been and will continue to be injured by Defendants' past and continuing infringement of the '002 Patent and is without adequate remedy at law.

31. Defendants have, upon information and belief, infringed and are infringing the '002 Patent with knowledge of LPL's patent rights and without a reasonable basis for believing their conduct is lawful. Defendants' infringement has been and continues to be willful and deliberate, and will continue unless enjoined by this Court, making this an exceptional case and entitling LPL to increased damages and reasonable attorneys' fees pursuant to 35 U.S.C. §§ 284 and 285.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff LPL prays for judgment as follows:

A. That Tatung, Tatung America, CPT, and ViewSonic have infringed the Patents-in-Suit;

B. That Tatung's, Tatung America's, CPT's, and ViewSonic's infringement of the Patents-in-Suit has been willful.

C. That Tatung, Tatung America, CPT, and ViewSonic and their parents, subsidiaries, affiliates, successors, predecessors, assigns, and the officers, directors, agents, servants and employees of each of the foregoing, and those persons acting in concert or participation with any of them, are preliminarily and permanently enjoined and restrained from continued infringement, including but not limited to using, making, importing, offering for sale and/or selling products that infringe, and from contributory infringement and from inducing the infringement of, the Patents-in-Suit, prior to the expiration of the Patents-in-Suit, including any extensions;

D. That Tatung, Tatung America, CPT, and ViewSonic and their parents, subsidiaries, affiliates, successors, predecessors, assigns, and the officers, directors, agents, servants and employees of each of the foregoing, and those persons acting in concert or participation with any of them deliver to LPL all products that infringe, or induce or contribute to the infringement of the Patents-in-Suit for destruction at LPL's option;

E. That LPL be awarded monetary relief adequate to compensate LPL for Tatung's, Tatung America's, CPT's, and ViewSonic's acts of infringement of the Patents-in-Suit within the United States prior to the expiration of the Patents-in-Suit, including any extensions;

F. That any monetary relief awarded to LPL regarding the infringement of the Patents-in-Suit by Defendants be trebled due to the willful nature of Tatung's, Tatung America's, CPT's, and ViewSonic's infringement of the Patents-in-Suit;

G. That any monetary relief awarded to LPL be awarded with prejudgment interest;

H. That this is an exceptional case and that LPL be awarded the attorneys' fees, costs and expenses that it incurs prosecuting this action; and
